Friday 23<sup>rd</sup> September 2022

## Phonics Workshop

Dear Parents and Carers,

We will be holding a Phonics Workshop for parents and carers on **Thursday 6<sup>th</sup> October** at 3.30-4.30pm.

The workshop will allow you to find out more about the teaching of phonics here at St Paul's. It will outline what phonics is and how we teach it in our school, how it helps your child with their early reading and writing. It will also provide you with a range of ideas for activities and resources you can use to support your child at home on their journey with early reading.

While this workshop is aimed at Reception, Year 1 and Year 2 parents and carers, we welcome anyone who would like to come along to learn a bit more about phonics and how you can support your child in their early reading and writing.

We will open up Class Reception for any children whilst the presentation is taking place, which will be supervised by a member of staff.

Please wait on the playground, near the reading shed (as a sports club will be taking place on the playground) to be collected and brought into school by a member of staff.

Thank you.

Yours sincerely,

Miss Waite, Mrs Hughes & the KS1/EYFS Team
