Stargazing – Class Reception

Dear Parents and Carers,

As the Finale for our Moon Zoom topic we are going to hold a stargazing event with Class One and Two. We hope to be able to see stars, the moon and, if we are very lucky the International Space Station. Mr Graham (Dad of Lewis in Class 2) has offered to bring his telescope and expertise to help us host the evening.

Our preferred date for the Star Gazing Evening is Wednesday 30th November 2022. If the weather is not suitable we will email you by 3:00pm and confirm that we are rescheduling to Thursday 1st December 2022. If the weather is also not suitable on Thursday we will inform you by 3:00pm and postpone the event until January 2023.

The details for our 'Stargazing Evening' are as follows:

- Venue:** Holgate Dock (school field)
- Date:** Wednesday 30th November 2022 (Thursday 1st December 2022 as an alternative in case of bad weather)
- Time:** 5.00pm – 6.00pm
- Snack arrangements:** Please bring a flask of hot chocolate and cups, we will provide marshmallows and chocolate buttons.
- Clothing required:** Warm clothing and a blanket to sit on.

Because this event is taking place outside school hours we are unable to offer supervision of the children. Parents and Carers must be present to supervise their own children **or** nominate another child's parent or carer to provide supervision.

If you have any questions please do not hesitate to come in and ask.

Yours sincerely,

Miss McEnaney

Stargazing – Class Reception

I **will** be attending the Stargazing Evening and understand that I am responsible for the supervision of my child/children.

I **will not** be attending the Stargazing Evening but have nominated an adult to supervise my child/children.

Child's Name:

Nominated Adult to provide supervision (if applicable) :.....
