Ready Steady Grow

Dear Parents and Carers,

Our topic next half term is 'Ready Steady Grow'. This topic teaches children about food and farming and explores themes; including where food comes from, what plants and animals need to grow and survive and what constitutes a healthy lifestyle.

As the WOW for our new topic on Monday 20th February we are going to have a 'Farmers Day' in Class Reception. We would love as many children as possible to come to school dressed as a Farmer - jeans or dungarees, checked shirt, wellingtons and a flat cap or woolly hat! If you struggle to find any of these, non-uniform will be fine.

Throughout the day we will be exploring different kinds of fresh fruit and vegetables and we will be making a healthy fruit salad to eat.

In addition to coming to school dressed as a Farmer, we ask that you send your child into school with a piece of fruit or some berries that we can share and use to make a fruit salad (anything except watermelon please).

If you have any questions please speak to a member of the Class Reception Team.

Yours sincerely,

Class Reception Team
