A place to belong

St Paul's CE Primary School

Welcome to our first reading newsletter!
We hope for both children and parents to enjoy this newsletter and share it with each other. Our aim is to inspire children and give parents the confidence to promote a love of reading that will last a lifetime. We will send out 3 newsletters a year. Each one we will have a variety of information including reviews, recommendations and what we are reading at St Paul's. We hope you enjoy it!

The MORE
that you read,
the MORE things
you will know.
The MORE that you
Learn,
the MORE places you'll go.

At St Paul's CE Primary school, we believe that reading is a fundamental part of a child's education. Reading offers so many opportunities to learn new skills, to be creative and expand our imagination.

Reading for pleasure can increase empathy, improve relationships with others, reduce the symptoms of depression and improve wellbeing throughout life (The Reading Agency 2015).

Have you read a good book lately? Which book would you recommend to a friend? Can you write a review for the next addition of the newsletter? If so, send your review in to your class teacher along with your name. Thank you!

"The Day the Crayons Quit is a great book to get you thinking about the feelings of others!"

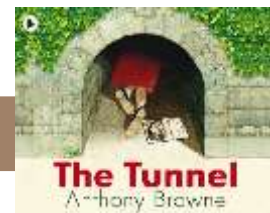

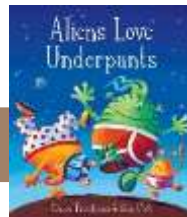

"I love a mystery based novel! Dead Man's Cove by Lauren St. John is a great book that engages the reader as the heroine, Laura Marlin, uncovers the secrets going on in a seaside town."
