St Paul's C of E Primary School

A Place to Belong

Our Christian Vision

Our school is a family where everyone feels safe, happy and valued, and is supported to achieve their full potential.

We will develop compassionate and caring individuals who depend on one another, are highly motivated, and have a life-long love of learning in preparation for the future.

Our Core Values

All that we do is underpinned by the core Christian values of *Family (Koinonia), Compassion, Perseverance and Forgiveness*

"Though we are many, we form one body, all joined together as members of the whole. We each have different gifts, according to the grace given to each of us. We must use them wisely."

Romans 12:5-8

Abusive and Threatening Behaviour Policy

Introduction

- All members of the school community have a right to expect that their school is a safe place in which to work and learn.
- Violence, threatening behaviour and abuse against school staff or other members of the school community will not be tolerated. There should be zero tolerance of such behaviour within the school.
- Where such behaviour does occur, action will be taken to deal with the person or persons concerned.

Action to be taken if an incident occurs

- **Incident report**
If an incident involving violence, threatening behaviour or abuse does occur then an incident report form (Appendix 1) will be completed by the member of the school community against whom the abuse was directed. In the case of this being a pupil a member of staff may complete the form on their behalf and parent/carer will be contacted. All incidents should also be recorded on CPOMS.
- **Step 1: first warning**
The Headteacher will speak to the person or persons perpetrating such an incident privately. (However, they may wish to have someone with them). It will be put to the person that such behaviour is unacceptable and an assurance will be sought that such an incident will not be repeated. It will be stressed on this occasion that repetition of such an incident will result in further more serious action being taken.
- **Step 2: final written warning**
If a second incident occurs involving the same person or persons, the Chair of Governors will write to the adult(s) giving a final warning that this abusive and threatening behaviour is unacceptable, and that a repetition of this conduct will leave the governors no option but to involve the local authority (LA) and / or the police. The process may be accelerated according to the level of behaviour.
- **Step 3: local authority ban letter**
If such an incident recurs, or if an initial incident is considered serious enough by the Headteacher, the LA would be involved to enforce any action deemed necessary. This may result in a person or persons being excluded from school premises. The LA may consider taking legal action to enforce a ban. Therefore an assurance will need to be sought from members of the school community who witnessed the offence that they will be prepared to give evidence in court should the need arise.
- **Step 4: involvement of the local authority and police**
If following a decision to ban a person from the school premises, that person nevertheless persists in entering school premises and causes a nuisance or disturbance, such a person may be removed from the school premises as a trespasser and prosecuted under Section 547 of the Education Act 1996. They may also be charged with an offence under the Public Order Act 1986 or other such legislation (Appendix 2).
- All parents, even if excluded from school premises following action by the LA, have a right to be informed about their child's educational progress. This could be achieved through a meeting with the other parent or through a written report.
