## What Do I Do If I am Worried About a Child?

If you become concerned about:

- Something a child says
- Marks or bruising on a child
- Changes in a child's behaviour or demeanour

Please report these concerns to the class teacher who, if they feel it is appropriate, will pass the information on to one of the school's Designated Safeguarding Leads.

Child abuse happens to all children regardless of gender, culture, religion, social background and those with or without a disability.

## What Do I Do If A Child Discloses They Are Being Harmed?

Whilst this can be an alarming situation it is important that you know what to do in such an eventuality and for you to stay calm and controlled.

- Listen carefully to the child, particularly what is said spontaneously.
- Remember not to show shock or disbelief.
- Do not promise confidentiality. Reassure the child but do not make promises that might not be possible to keep.
- Reassure the child that you will tell the teacher or acting headteacher who will be able to help them.
- Do not interrogate or ask leading questions.
- Reassure the child that is not their fault ; stress that it was right to tell.
- Record carefully what the child says in their words including how and when the account was given. Date, time and sign the record
- Pass this on to one of the Designated Safeguarding Lead/s.

- Be aware of your feelings about abuse and find someone to share your feelings with once the procedures have been completed.

## Visitor Code Conduct

- Treat everyone with respect and professionalism .
- Provide an example you would wish others to follow.
- Remember someone else may misinterpret your actions no matter how well intended.
- Do not jump to conclusions without checking.
- Do not permit abusive activities such as bullying or ridiculing.
- Avoid physical contact with children unless you are preventing them from immediately harming themselves or others.
- Do not make suggestive remarks, gestures, or tell sexist, racist or homophobic jokes.
- It's best not to do anything for a child that he or she can do for him or herself.
- Always tell someone if a child touches you or speaks to you inappropriately.

If you are concerned about the conduct of a member of staff during your visit the following actions must take place:

- Immediately inform the Head Teacher. In their absence, immediately inform a member of SLT or DDSL.

## Health and Safety

**Fire:** In the event of a fire alarm please use the nearest fire exit and make yourself known to a member of staff.

Please make yourself aware of the nearest fire exit where you are based.

If you require support in an emergency, please inform staff at Reception.

**Accidents and Illness:** All accidents, regardless of severity, need to be reported to a first aider. Staff will inform you of the first aider nearest to where you are based. All accidents will be logged in accordance with school policy.

Should you require a comfort break during your visit a member of staff will be happy to direct you to our adult facilities .

## Pupil Behaviour

During your visit you might observe a pupil struggling to manage their behaviour. We would like to reassure you that staff have been trained to manage these situations keeping the child, themselves and others safe. You can help by moving away and by distracting the other pupils. Please be aware that a member of staff may ask you to leave the room until the situation has calmed.
