

# St Paul's

C of E Primary School

**A place to belong**

Wednesday 20<sup>th</sup> December 2023

**St Paul's turns 150**

**150 Wishes for 150 Years**

Dear Parents and Carers,

As we begin to plan celebrations for our school's 150th anniversary in May 2024, we are thrilled to embark on a special journey that involves your child's aspirations and dreams. Your child will be bringing home a sheet today to write down their wish; hopefully a wish that extends beyond material possessions and focuses on experiences that nurture their passions and give a glimpse to their future dreams.

To help spark ideas and inspire your child, here are a few examples of wishes that align with the spirit of our initiative:

- Sing/act or dance on a stage
- Experience being a teacher or their favourite job
- Meet their favourite animal
- Talk to a football player

These examples are meant to spark creativity and help your child envision experiences that resonate with their passions and aspirations. We encourage you to discuss and explore various ideas with your child, guiding them toward a wish that truly reflects their interests and dreams.

Please make sure that your child's wish is back in school on Tuesday 9<sup>th</sup> January when school reopens. Please note that Monday 8<sup>th</sup> January is a training day.

We aim for the wishes will be granted throughout the final summer term of the academic year. We may need your support and help with these wishes by getting local businesses and your connections involved! Thank you for being part of this celebration and for your continuous support in nurturing our students' growth and development.

Yours sincerely,

Mrs Clarke
