

Class 6
Spring 2024

Blood Heart

Topic Overview	<p>Blood Heart</p> <p>Let's explore our circulatory system!</p> <p>Crimson, scarlet, burgundy, cherry. Blood flows through our bodies in all its vibrant shades of red. Let's explore our circulation system. Now, surgeons, don't be squeamish as we dissect an animal heart and examine the veins, arteries and chambers up close. They all work hard to move blood around our bodies. William Harvey was fascinated with anatomy, and made ground-breaking discoveries about valves. I wonder what we might uncover? Why do people give blood? Find out how to keep your heart happy with cardiovascular exercise and healthy food. Kick-start a campaign to spread the word about the damage caused to the lungs and heart by smoking. Hearts pound, flutter and maybe skip a beat.</p>
English	<ul style="list-style-type: none"> • Non-chronological reports, poetry, flashbacks, balanced argument, newspaper reports, dramatic monologues.

Worship Theme	<ul style="list-style-type: none"> • Friendship and Hope
PSHE	<ul style="list-style-type: none"> • Ourselves, Growing and Changing
Home Learning	<p>Your heart will be with you forever, so it's important to look after it. Why not research heart-healthy foods together and try out delicious, nutritious recipes that will make your heart happy? You could also set up an obstacle course in the garden and take each other's pulse before and after exercise to see how it changes. Alternatively, you could investigate advice for keeping your heart healthy and make an informative poster.</p>
