

Key Stage 1 Homework

Spring 1

Linked to our topic of 'Dinosaur Planet' we would like you to choose from the following list of what you would like to work on at home. Don't forget you can choose to complete any number of tasks (at least one) and present them in any way you want to.

<p>Create a dinosaur mask or hat and bring it to school</p>	<p>Work with an adult to produce a dinosaur movie or show using toys, puppets or models. Evergreen bushes and a rocky or dusty area of your garden or local park would make perfect film sets!</p>	<p>Hunt for ferns, yew trees, monkey puzzle trees and other prehistoric plants while you're out and about. Make a detailed drawing or painting of them,</p>
<p>Visit a tropical animal centre or shop to have a closer look at some modern day reptiles. Take some photographs to show your class.</p>	<p>Can you create a set of dinosaur jokes to share with the rest of the class?</p>	<p>Make a model of your favourite dinosaur. Try to make it as realistic as possible.</p>
<p>Research the places in the world where most dinosaur remains have been found. Mark them on a map and label them clearly.</p>	<p>Research your favourite reptile. Write a fact file about it.</p>	<p>Paint a picture of a prehistoric scene. Include your favourite dinosaur.</p>

We look forward to sharing your homework in school.
Please bring it in on **Monday 11th March 2024**
