

Class 1

Spring 2024

Dinosaur Planet

Topic Overview

Stomp, crash, roar! Watch out – there are dinosaurs about! Yes, that’s right, we’re travelling back in time to the age of the dinosaurs. This half term, we’ll visit a museum, look closely at ancient fossils and study reptiles to understand how dinosaurs may have lived and eventually died out. We’ll learn about the great fossil hunter, Mary Anning, and follow in her footsteps, studying dinosaur teeth and bones to find out what dinosaurs liked to eat. Learning dinosaur names, creating puzzling riddles, writing fantastic fact files and creating exciting dinosaur stories are some of the other activities we’ll be involved in this half term. We’ll also use our artistic skills to make model dinosaurs and to design dinosaur landscapes.

English

- Explanation texts, poetry and riddles, stories

Mathematics

- Addition, subtraction and place value within 50, Length and Height, Mass and Volume

Science

- Animals including Humans

RE

- What does it mean to belong to a faith community?
- Who is Jewish and what do they believe? (part 2)

Humanities

- Locating countries and continents of the world.
- Events beyond living memory, Mary Anning, What happened to the dinosaurs

PE

- Team Building, sending and receiving skills.
- Yoga, invasion games.

Art & DT

- Model making
- Sewing/Textiles

PSHE

- Families and close positive relationships, Friendships
- Managing hurtful behaviour and bullying

Music

- York Arts Education - Recorders with Miss Kumin

Worship Theme

- Friendship

Home Learning

Dinosaurs are fascinating! Why not visit the library, choose some dinosaur books and practise reading and writing dinosaur names together? Alternatively, research amazing dinosaur facts together online.
