

Dangerous Dinosaurs Homework - Spring 1

Read through the activities with your child. You can choose the ones that you find the most interesting. You can present your homework in any way that you wish, drawings, photographs, junk modelling or painting.

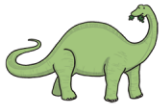

<p>Dinosaurs are prehistoric reptiles. They lived millions of years ago.</p> <p>Which dinosaur do you like and why?</p>	<p>Make a dinosaur picture. You could draw, use paint or a paint program on a computer.</p>	<p>Draw a dinosaur island map that includes a volcano, swamp, forest, caves and a river.</p>
---	---	--

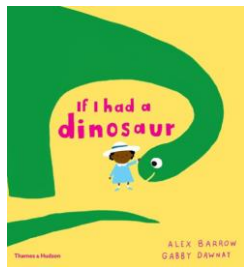

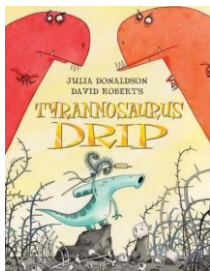

Measure toy dinosaurs with bricks. Which dinosaur is the longest? Which dinosaur is the tallest?

Make salt dough by mixing 1 cup of plain flour, $\frac{1}{2}$ cup of salt and $\frac{1}{2}$ cup of water. Use the salt dough to make a dinosaur skeleton.

Can you read any books linked to our topic, Dangerous Dinosaurs?
Below are some suggestions.

We look forward to sharing your homework in school.

Please bring it in on or upload your homework to Google Classroom by the week beginning 5th February 2024.
