

Dear Parents and Carers,

We will be having an Easter hat competition for the children and a parade on **Thursday 21st March**. A reminder below of some of the wonderful creations last year!

This is an optional event and a winner and runner-up from each year group will be chosen and will receive an Easter prize, provided by FOSP!

We do hope your child/children will be able to create a superb hat and we are looking forward to the tough job of choosing winners!

Thank you for your support.

Mrs Hughes
