

On the Beach - Summer Term 2 2024

This term we are continuing the topic, '**On the Beach**'. Your task is to pick from the list of project ideas below. You can complete as many or as few you like but you must complete at least one. You can do them in any order and showcase your work in any chosen way.

Visit the beach or look at photographs of days out at the beach. Talk about the activities you enjoy when you visit the beach. Think about the things you need to take so that you can have fun and keep safe. Draw and label the things you need to take to the beach.

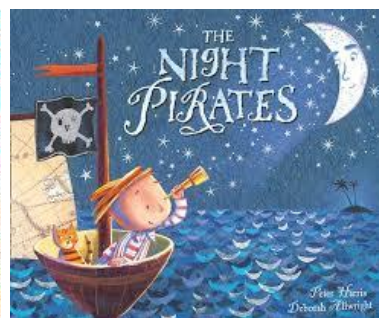

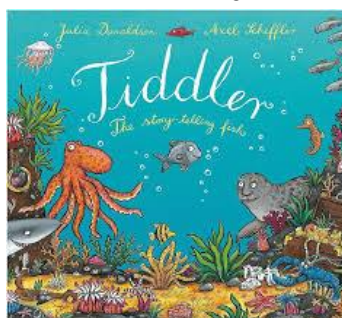

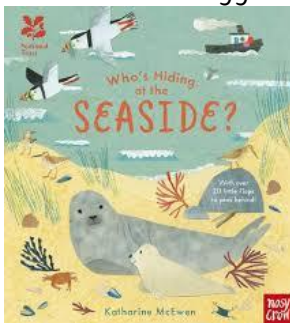

Find out more about the animals that live in rock pools by looking at the YouTube video of 25 sea creatures you can find rock pooling in the UK!

It is World Ocean Day on the 8th June. Find out why it is so important to look after our oceans and the plants and animals that live there.

Use google earth to look at the seas and oceans around the world. Make a map and colour the seas and oceans blue.

Make an under the sea picture. Think carefully about the animals and plants you will add. You can create your artwork using a compute paint programme, paint, drawing or collage materials.

Can you read any books linked to our topic '**On the Beach**' Below are some suggestions of books that you could read at home.

We look forward to sharing your homework in school.

Please bring it in on **Monday 8th July 2024**.

Thank you!
