Whilst we offer as much funding as is possible towards our educational visits and enrichment opportunities, we, unfortunately, do not have the available financial resources to fund the full amount of this event. In order to ensure that this opportunity is available to all our pupils, we would like to ask for a voluntary contribution from the parents and carers of the pupils invited to this.

We would also be grateful for volunteers to join us on this trip. If you are able to offer support on this occasion please let us know on the google form.

If you have any questions or queries regarding this educational trip, then please get in contact with the school office and I will get back in touch as soon as possible.

Yours sincerely,

Mrs Severn
