Class 6 York Castle Museum

Dear Parents and Carers,

After celebrating St Paul's 150th birthday, York Castle Museum have asked Class 6 to support the Castle Museum in refreshing its fashion gallery. The Castle museum will be displaying work from a former pupil, Maud Webster, from 1891. This collaboration not only highlights the school's history but also connects students with their heritage, providing a unique opportunity to engage with fashion's evolution over the past century. It's an exciting chance to honour our past while inspiring future generations!
