Dear Parents and Carers,

Thank you for signing your child up to the Young Voices Choir!

What is Young Voices?

If you haven't heard of it, Young Voices is music education on a massive scale. Each year, in huge arenas across the country, hundreds of school choirs come together to perform. The total number of participants at each performance ranges from 3,000 to 8,000! It is a spectacular event and one which the children will remember for a very long time. Over the next few months, the children will learn a variety of songs from different eras and genres. All their hard work will then culminate in a spectacular mass performance alongside professional singers dancers and celebrity guests.

When is the concert?

Our concert will take place on Tuesday 28th January 2025 at the Utilita Arena, Sheffield. It will be a long but exciting day. The children will leave school after lunch to arrive in Sheffield by approx. 1.45pm. There will be a rehearsal in the afternoon for all the choirs together, followed by the performance, which starts at 7.00pm and lasts approximately 2 hours. We hope to return to school by 11pm.

What does it cost?

There is no charge to join our Young Voices club. However, we will need to ask for payment to cover the cost of the coach to and from Sheffield. The cost of this hasn't yet been calculated but we will let you know as soon as we have a clear idea of numbers.

Can we come along and watch?

Yes! Adults are of course encouraged to come to the concert and enjoy the show! Tickets cost £24.00 each and for the first time you are able to purchase these directly through the Young Voices Music Room.

Young Voices Music Room

The online Music Room allows your child to practise all of the songs and dance moves at home. Please encourage this as much as possible as there is a lot to learn in time for the concert. You are also able to purchase tickets and t-shirts directly in the music room. Please note, t-shirts are optional. Plain white t-shirts are also allowed to be worn during the concert.

Please register for the music room using the following link;
