Operation Encompass Information for Parents & Carers

St Paul's C of E Primary School has been given the opportunity to take part in a project that runs jointly between all schools in York, City of York Council and North Yorkshire Police. This project, Operation Encompass, has been designed to provide early reporting to schools of any domestic abuse incidents that occur outside of normal school hours, and that might have an impact on a child attending our school the following day.

This information will be shared at the earliest opportunity from Monday to Friday, and when an incident occurs on weekend, the school will be notified on the Monday by the police. A nominated member of school staff will receive the information from the police. They will be able to use information that has been shared with them, in confidence, to ensure that our school is able to make provision for possible difficulties which may be experienced by children or their families. Information will be shared where it is identified that a child or young person was present, witnessed or was involved in a domestic abuse incident. Operation Encompass has already proved to be very effective in providing appropriate support to children.

We are keen to offer the best support possible to all our children and we believe the initiative to be extremely beneficial and supportive for all those involved.
