

### Christmas Window Trail

Although we're not able to do our usual Christmas Fair this year, we still wanted to do something festive and fun for the children. This year we'll be doing a Christmas Window Trail from 27<sup>th</sup> November to 11<sup>th</sup> December. If you'd like to sign up to decorate and illuminate a window, just catch one of us at school, send us a message or comment on the Facebook post by 23<sup>rd</sup> October; the more the merrier!

### Easy Fundraiser and Amazon Smile

Lots of us will be shopping online this year and it's a really easy way to raise money that we can put towards school trips, activities and treats for the children.

FOSP is set up as a cause on both Amazon Smile and on the Easy Fundraiser app – just search for Friends of St Paul's School York in either of them. Then do your shopping as usual and a percentage is donated directly to FOSP, at no extra cost to you. Over the past year, we've raised over £200 through these apps and would love to raise more!

Thank you ☺

*We're really pleased that Fiona Neale has joined the FOSP committee as our new vice-chair!*

I have two children at St Paul's - Isaac in year 3 and Georgie in reception. I've been going to FOSP meetings for years but have just agreed to be Vice-Chair, having previously been chief raffle prize organiser.

I work 4 days a week for Natural England, managing a team of specialists who provide environmental advice to the government and do loads of interesting ecological research. I am a marine biologist and I am definitely happiest when we take our van to the coast and I can hang out in a rock pool or splash about in the sea.

When I'm not in scientist mode I have pretty varied interests, I love going to the cinema, art galleries, theatre, comedy, festivals, travelling, reading...and I definitely have an unhealthy addiction to coffee, donuts and desert island discs.

I'm always happy to chat about fundraising and FOSP events. It's nice to have lots of volunteers so if there is ever something you fancy getting involved with just let us know.
