Online short course for parents and carers of children who start school in September

- ◇ Building confidence and independence
- ◇ Making friends, routines and ready to learn
- ◇ Early word and number skills
- ◇ First day at school and settling in
- ◇ Home learning and Family Learning

The course will run on Zoom* for one hour from 7.30pm on Monday evenings or 10.00am on Wednesday mornings over 5 weeks. We'll talk about any concerns and things you can do to give your child the best start at school. Don't worry if children join in ... you can dip in and out and switch audio and video off if you need to ... we've all been there!

Courses start on 19 and 28 April and again on 7 and 9 June.

*You can do Zoom on a smartphone, tablet or iPad, laptop or PC. If you don't have access to any of these or you are new to Zoom and online learning, give us a ring and we will work with you to get you started.
